

DEAR VISITOR, PLEASE READ

This shelter is the current home of the animals in our care. To ensure their safety and comfort, please

- do not open any doors to the animal rooms
- do not lean or knock on the glass
- do not put your fingers through the ventilation holes in the doors
- avoid making noise or sudden movements
- do not feed the animals
- ask the animal attendants for help if you have come to volunteer as a #humanfriend
- check beforehand if you wish to bring your pet with you to the animal premises

If you wish to adopt one of our animals, start by filling out the application form on the HESY website! Our animal coordinator will get in touch once they have reviewed the application.

Welcome!
